

# First Civilizations Activity

For the following civilizations, compose a chart that compares where they lived, how long they were a dominant civilization, who their leaders were, and what their legacy was on the ancient world (what contributions did they make?).

## **Civilizations:**

Mesopotamians

Sumerians

Babylonians

Hittites

Assyrians

Persians

Side note; Explain what makes, *The Epic of Gilgamesh*, an important piece of literature from its respective society and the ancient world.
