Professionalism (language - wording, spelling, grammar), picture, profile would attract employers appropriately)	Your project is lacking professionalism.	A good start toward creating a professional looking profile. Just a few things that could use tweaking.	Looks great! You have done a good job of presenting a professional looking profile.	Very polished with professional looking (picture, wording)
Complete and Accurate (no disconnects). all parts of every template completed, 1 recommendation, instructions and examples erased, different parts of the profile connect accurately to other parts	There are large gaps in your presentation. You forgot to erase the examples that were provided for you.	You missed adding or erasing one or two things.	Your presentation is complete and all of the examples erased.	All slides are complete and accurate. You have more than one recommendation and there are no disconnects.
Connection to the course (learning style, MIs, etc). Readers would get a really good idea about who you are.	Very little connection to what we have discussed in class.	Some connection to what we have discussed in class.	Good connections to what we have discussed in class.	A very thorough connection to what we have discussed in class.
