Final Class Independent Research Lesson
For the 80’s and 90’s

Just like you’ve been doing for the week we were kept out of school due to Covid, use the tech at your disposal to complete the following and be prepared to know it for in class discussion as well as your 2nd test.

Meech Lake Accord
Charlottetown Accord
FTA
NFTA

For each of these be prepared to discuss the following:

1) When
2) Who was involved
3) A brief description of the cause, course, and consequence

How you organize this is up to you...you can make a chart to have a ready comparison available or you can just make point for notes.
