

The Book Thief Parts 10 and Epilogue

- 1) How did Liesel survive the bombing?
- 2) Many Germans claimed that they weren't aware of the final solution. What does this book have to say about this idea?
- 3) Name the concentration camp that Liesel lives close to. Go on line and learn about this camp. When was it built? Was it built purely for the final solution? How many were killed there? What happened to it after the war?
- 4) Explain how Ilsa Hermann saved Liesel. 2 ways here.
- 5) The book makes reference to allied bombers that missed their targets and instead dropped their bombs in the wrong place. Go on line and find several examples of this happening on both sides of the European theatre of war. Name the cities and places this happened to, and how many people were killed. Why did the bombers miss their targets and get them confused?
