

## The Book Thief Parts 6 and 7

- 1) What is the misconception people have about death? What does he look like?
- 2) Research the Wannsee Conference and explain where it was held, when it was held, some of the important people who were in attendance, and what the final decision of that conference was. What were some of the other options that were examined at this conference and why were they not adopted?
- 3) How is a dead Max a bigger issue than a Max who is alive?
- 4) Describe how Max's presence changes the reader's perspective of Rosa from the beginning of the story till the end of part 7.
- 5) How did the war help Hans's painting business? Explain how his experience with poverty has effected him in business dealings.
- 6) How did the air raids end the hostility between Rosa and Frau Holtzapfel?
- 7) Go on line and find out roughly how many German Jews died for Germany in WW1. How did Hitler change this history when he came to power in the 30's?
- 8) How does the marching of Jews through Liesel's town cost Hans his improved livelihood?
- 9) How does Hans handle Max's leaving their house?
