

The Chrysalids

Ch. 10-13

Do the same thing you've been doing regarding answering these questions all along.

- 1) Explain why the group loses Anne. What is her reasoning?
- 2) Why is this dangerous for the rest?
- 3) How does uncle Axel justify murder?
- 4) Briefly describe both sides in this debate.
- 5) How does the situation with Anne end?
- 6) How does Petra put the group in danger?
- 7) Who does Petra have contact with?
- 8) How did Axel know Allan knew about the group?
- 9) List how David, Rosalind, and Petra make a successful escape.
- 10) Who is coming to rescue them? Where do you think they are coming from and what makes Petra so special?
- 11) Why do they agree on death before capture?
- 12) Describe Zealand and the people who live there.
