

# The Chrysalids

## Ch. 4-6

Do the exact same thing regarding using the novel to support your answers to the following questions. Again, a separate sheet of paper is required.

- 1) Describe what makes David a mutant and why does he say it was good that uncle Axel was the one who discovered him.
- 2) How many are there like David?
- 3) Describe David's encounter with the prisoner from the Fringes.
- 4) Use a dictionary to define, "flinty souled pendant" and bigoted. Are these an accurate description of David's dad?
- 5) Do the inspector and David's dad get along? Explain.
- 6) By the end of chapter 6 what more have you learned about the world?
- 7) Why is Alan a threat? What happens to him and what happens to Sophie?
- 8) What does the inspector say about deviations? Why do you think his approach is different than David's father?
- 9) Explain why exploration was stopped. What does this say about all societies in the world present in this book?
- 10) Why has uncle Axel "lost his faith" as David puts it?
