Post War Prime Ministers – Laurent to Pearson

For Louis St. Laurent, John Diefenbaker, and Lester B. Pearson, construct a comparative chart that does the following:

1) Total years of service in government and in what capacity?
2) Total years of service as prime minister
3) 2 domestic accomplishments with a brief summary of each so you could not just drop the name, but explain why they are important on a future test.
4) 2 foreign accomplishments – same amount of detail as required for #3
5) What party they belonged to.

Again, you don’t want to write a novel, but you need to be able to have a basic understanding of each prime minister in case you are asked about them on our 2nd test.
